FOR IMMEDIATE RELEASE

Plexon Inc Congratulates 2015 Workshop Registration Raffle Winners from 9th Federation of European Neuroscience Societies (FENS) Forum of Neuroscience

MILAN, ITALY -- (July 9, 2014) - Plexon Inc, the leader in advanced hardware and software solutions for neuroscience and behavioral research, announces the raffle winners for a FREE registration to the popular 2015 Plexon Annual Neurophysiology and Behavior Workshop – worth \$900.00 each – chosen at the 9th Federation of European Neuroscience Societies (FENS) Forum of Neuroscience held in Milan, Italy.

2015 marks the 6th year of Plexon's Annual Neurophysiology and Behavior Workshop and will be held the week of April 27th in Dallas, Texas, USA. At the close of the conference exhibition today at 2:00 p.m., Central European Summer Time, and on behalf of Plexon, Greg Prescott, General Manager of Campden Instruments, A Lafayette Instrument Company, blindly pulled the winning entries from the raffle bin. Plexon is thrilled to congratulate the winners: Elisa Santandrea from Leonardo Chelazzi's Emergent Attention Lab at the University of Verona in Italy and Sandro Lecci from Anita Luthi's Lab at the University of Lausanne in Switzerland!

Ms. Santandrea and Mr. Lecci will have the opportunity to join researchers from all over the globe as they descend on Dallas for three full days packed with instruction, demonstrations and hands-on exercises presented by renowned researchers and Plexon subject matter experts. Each year, the event becomes stronger with the 2014 Workshop earning a new high score of 9.5 out of 10.

The Workshop is limited to no more than 40 attendees to ensure maximum hands-on experience. In the primary training hall, ten complete workstations will be set-up with no more than four attendees per station. Additionally, there will be a secondary training room with five or more complete workstations for one-on-one instruction. Each attendee receives three days of intense training, robust materials and exercises, a certificate of completion, two \$150.00 gift certificates for the 2015 Workshop (one for themselves and the other for a colleague), admission to the Welcome Reception, a ticket to the exceptionally popular social event to enhance networking and a more relaxed learning environment, breakfast and lunch for all three days, a Plexon T-shirt and a mug.

Plexon wishes to thank all of the entrants that participated in this raffle, and looks forward to seeing Ms. Santandrea, Mr. Lecci and many more that the 2015 Annual Neurophysiology and Behavior Workshop next year. More information regarding the 2015 Workshop is available on our website at www.plexon.com/workshops.

About Plexon Inc

Plexon is a pioneer and leading innovator of custom, high performance data acquisition, behavior and analysis solutions specifically designed for scientific research. We collaborate with and supply thousands of customers including the most prestigious neuroscience laboratories around the globe driving new frontiers in areas including basic science, brain-machine interfaces (BMI), neurodegenerative diseases, addictive behaviors and neuroprosthetics. Plexon offers integrated solutions for *in vivo* neurophysiology, optogenetics and behavioral research -- backed by its industry-leading commitment to quality and customer support. www.plexon.com.
